He got up, rebuked the wind and said to the waves,

Quiet! Be still!" Then the wind died down and it was completely calm. He said to his disciples, 'Why are you so afraid? Do you still have no faith?"

From the Vicar's Desk

Dearly beloved in Christ,

Let us be thankful for the grace of God that guides us in the turbulent time of the pandemic. We can continue the journey of life by being dedicated to the hands of God who can lead us with hope. The second wave of Covid has affected human life in most parts of the world, and India is experiencing the world's worst Covid-19 outbreak. The sight of Covid patients outside the hospital gates longing for breath and bed is very painful. Their need for oxygen is an eye opener to us, making us realize how precious is this element, which is always taken for granted. It is a horrible sight to see people falling without access to oxygen in hospitals. So we can continue our spiritual journey without forgetting our dedication to God, obligations to the church, and compassionate response to society. As a parish and as a church, we can do a lot when we are ready to work together in a timely and proper manner.

These days I've been thinking about the house in Capernaum. I would like to share some thoughts related to this house. In the light of this house, we can find out what the church is.

- 1. Church is considered as an open house. In the first century Palestine, the houses people built had corridor facing the road and they tried to keep the door towards the road always open. These homes welcomed anyone who was tired from traveling. The house in Capernaum had multitude gathering from all strata's of society; Ordinary people from nearby villages, Scribes, Pharisees, the four friends and the house owner, etc. Like this house, the church is a place open to all. It is indeed not only a place for saints but also an asylum for sinners.
- 2. Church is a Christ- centered community. Jesus' presence in the house at Capernaum gathered a large crowd. And many were gathered together, so that there was no more room, not even at the door. We are a crowd or multitude but it is Christ who unites us. The Greek word for *church* in this verse is *ekklesia*, which means an *assembly of called out ones*. So the church, the *ekklesia*, is the assembly of all people who have been called-out of the world by God. The church isn't a physical building; it's a group of people.
- 3. The attitude of the people is important. Some of the people gathered here are very reactive. The Pharisees and Sadducees are thinking negatively in their mind about Christ while He healed the paralytic. They are reactive people. The word "reactive" implies that they didn't have the initiative but only complaints. Some of them are indifferent. They have no care mentality. The four friends of the paralytic might have compelled some of the persons gathered in front of Jesus to move to bring the person to Jesus. They are concerned only about their salvation and not at all bothered about the needs of others. The four friends are proactive in their attitude. The image here we associate with "proactivity" is of grace under stress and crisis. Proactive people are very organized and they project themselves into the future rather than focusing only on what's happening in front of them. They are self-motivated and ready to take responsibility. They are not only the people in harmony but also the examples of living faith.

Let St. James church be an open house welcoming all and let this church be a place for spiritual nourishment and a place of harmony exemplifying living faith.

May God Bless us all.
