From the Vicar's Desk

Dearly beloved in Christ,

Greetings in the name of our Lord and

Great Lent 2022 starts by 27th of this month. It's a time to be thankful for God's grace that has been showered upon us by giving His Son's life for the redemption of the Humanity. It was not the three nails that bind Christ to the cross but really it was His passion and love for human soul. Lent is a spiritual journey that helps us to stay tuned to the path of cross that destines to the celebration of Easter. The great lent or the fifty day's lent is observed as a meditative journey that leads us to see the depth of the meaning our Lord's passion, death on the cross and His resurrection. This is really a time for self reflection, renewal, and repentance. May the experience of this year's Lent increase our love for the Lord, holiness of life, and faith in our lives. Let us join in this year's Lent with more preparation, humility and discipline.

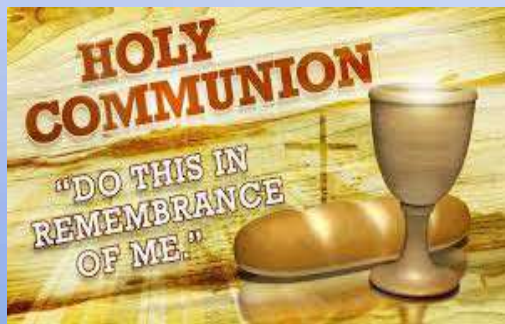

We observe Fasting, Prayer and almsgiving as integral part of Great Lent. The Lord taught us that except by prayer and fasting, it is not possible to gain victory over Satan (St. Mathew 17:21). E.M. Bounds states that prayer is a sacred privilege. He also goes on to say, "It is communion and communication with God". Prayer involves many aspects. Prayer produces faith. Prayer life will allow us to respond to the Cross of Calvary and the blood Jesus shed for sinners. Prayer will lead us to confession, conviction; lead us to make decisions of righteousness. Prayer will lead us to stand firm in Jesus and will lead us to a victorious life. We observe fasting is an integral part of Lent that helps us to purify not only our body but also our mind and spirit. Traditionally it has included reducing the amount of food we eat and abstaining from meat. We fast to allow our physical hunger to remind us of our spiritual hunger, our need for God. The purpose of fasting is to turn our attention to both God and others. Days of fast are the time to repent about our sins and to plead God for forgiveness. Fasting helps us grow spiritually, by controlling emotions and desires. Along with fasting and prayer, there should also be acts of love and compassion. We must give the poor what we have saved through fasting. God's grace spreads more in us when we share our fortunes with the less fortunate. So lent is not only a time fasting but also 'feasting'. The dictionary meaning of feast is "something that gives unusual or abundant pleasure." During Lent, we must think about giving more to those who are in need that will give us more happiness.

Mar Thoma church prepares for the 127th Maramon Convention from 14th February. Let us pray for the blessing of the convention. As we are moving to the end of this financial year, I urge all the parishioners to actively participate in our worship services and activities and to support the parish by paying the dues and promises if any. May God's guidance remain on us to be a witnessing community.

Prayerfully,

Shibu Achen
