Dearly Beloved in Christ,

Greetings in the name of our Lord and Saviour Jesus Christ.

The grace of God helped us to enter yet another month in this year. Let us thank God for all the manifold blessings we receive day by day in our life. When we receive endless graces from God, we must be thankful to God and remain in God's love.

Paul gave the church in Corinth the direction to do everything with God's love.(1 cori 16:14). They were guilty of bad conduct in a number of ways, one of which was acting in the best interests of themselves and not for the good of the congregation. Our thoughts, feelings, actions, and inactions should be done with Godly love towards God and towards others.

Mother Teresa once described an experience. Certain years ago a brother told her that he had a calling to work for the lepers. He wanted to dedicate his whole life to it. After listening she replied "Brother, you are mistaken. You are not called for any particular mission. Your calling is to live for Jesus. He has chosen you for himself. Whatever you do, do it for Jesus. Paul in his letter to Corinthians exhorts the people to do everything inspired by God's love. So it does not matter what great thing we do, but it matters whether we are doing it based on the love and commitment towards Jesus.

The challenge of every Christian is to live for Him because Jesus lived and died for us. As the disciples continued the kingdom ministry which started after the death of Jesus, we are also responsible to be the witnesses of Christ in His world. So we can continue our spiritual journey without forgetting our dedication to God, obligations to the church, and compassionate response to society. It's the life of Jesus that motivates us to live a dedicated Christian life.

I am thanking for God's guidance and appreciating the office bearers who took the effort to coordinate everything to make our faith journey of the parish a blessing for all. Also, praising God for all committee members, office bearers of organizations and prayer groups and all the parishioners who rendered their service to the parish in different ways. The new committee will be in charge from the 1st June 2022.

We hope that we came to the normalcy after the pandemic. I very earnestly plead all parishioners to make sure a regular participation in attending worship services, prayer meetings and program of organizations. Children's participation in our program along with their parents are to be ensured. Children's presence along with their parents in worship services and in other spiritually enriching program will help them to root their life in Christ. May the Holy Spirit help all our families to set priorities right and lead a meaningful life.

Yours in Christ,

Shibu Achen
