From the Vicar's Desk

Dearly Beloved in Christ,

All are justified freely by his grace through the redemption that came by Christ Jesus. Romans 3:24

Every year some two million people from all over the world visit St. Paul's Cathedral in London. It is well worth the admission fee to experience the magnificent structure designed and built by Sir Christopher Wren during the late 17th century. But tourism is secondary at this place of Christian worship. A primary mission of the cathedral is "to enable people in all their diversity to encounter the transforming presence of God in Jesus Christ." If you want to tour the building and admire the architecture, you must pay an admission fee. But there is no charge to enter and attend any of the daily worship services at St. Paul's.

How much are we ready to pay to enter the kingdom of God? Entry is free because Jesus Christ paid the price for us by His death. "All have sinned and fall short of the glory of God, and all are justified freely by his grace through the redemption that came by Christ Jesus" (Rom. 3:23–24). When we acknowledge our spiritual need and accept by faith God's forgiveness for our sins, we have a new and everlasting life in Him.

We have enter the month of April a period of importance because we are entering into a new life with Christ. Christ died for us and more importantly was resurrected from death. It is through his death and resurrection we have a life. Jesus has paid the price of admission! Let this new life be a blessing for us and the people around us.

With prayerful regards

Prince Korah Achen
