Dearly beloved in Christ,

Lent/Fasting season is a very significant in the life and activities of the church which enables to introspect and rededicate ourselves to God. Lent enumerates the church to meditate upon Christ and his suffering on the cross which would bring spiritual revolution in the lives of believers in and through the scripture in our faith journey. In our spiritual battle, fasting protects us from the evil one. It not only resists the attack but also trains our body and mind for the battle. According to Mar Aprem (4th Century Church Father) fasting is a great weapon against the evil one. Through fasting Christ defeated the Satan and has given us this weapon to overcome the evil. For Philixenus of Maboug (6th century Church Father), fasting and abstinence are the two virtous weapons for cultivating the field of Christian life. 'Fasting must be undertaken voluntarily and it must be of divine dispensation'. This is the primary teaching of our Church on Fasting. Fast is of free will and it is the voluntary fast which is accessible and permanent. Fasting becomes highly acceptable when it is joined with humility of hearts, charity towards all men and continuous prayers. The Lenten prayers and liturgy of our Church extols this kind of fasting by giving the Old Testament figures as good examples (Moses, Daniel, Elijah etc.). Fasting is the root by which all the fruits of sanctity are sustained and on this same root grows purity, delights virginity and rejoices patience. Fasting dispels immodesty, controls the lust and offers the body as a holy temple of God. Therefore, the Church exhorts the faithful to love and practice this highly acceptable form of Christian life so that it may lead them to the great eternal fast which is going to happen in the eternal bride chamber of life. Through it, the strength of the soul is confirmed, the riches of the body are increased and good aspirations aroused in the heart.

The importance of this Great lent is much evident from the name itself. This is observed to actively participate in the Resurrection of Christ through a life of passion and suffering. The Church prescribes the forty days of fast in seven weeks which ends on Friday (Nalpatham Velly) before the passion week. But the fast gets completed only with the Easter and therefore it is also called fifty days Lent (Anpathu Noimbu). The Monday, the beginning of the Lent, there is a special service called the service of reconciliation (Subukono) and the purpose of which is that the faithful enter into the season of fast having reconciled with all. This means that the fast is holy and being holy it would become proper only if it is approached with preparation. The Church recommends the faithful to get content with one meal a day and avoid all delicious food. Let us dedicate our life to renew by the Holy Spirit.

We are almost at the end of this financial year, if there are any promises that we have made towards the church or the mission projects let us fulfill it diligently. These days number of our members are returning home and settling in the homeland for a secured retired life and many are moving to western countries in search of better prospects this has caused the membership of our church to dwindle considerably. There are still many of the Mar Thomites coming to Kuwait and are not a part of any of the churches, if you are aware of anyone like this please take interest in making them a part of our church and give them the required fellowship and support as a parish. Also uphold 9 children of ours who are preparing to write their board examinations, May God guide them in their exams and bless them to have a wonderful life ahead.

With regards

GREAT LENT

Lent is the time for redemption and preparation for the feast of the resurrection of Christ.

Great Lent or Valiya Noyambu is specifically set apart as a time of fast, prayer and meditation when we connect ourselves to Jesus Christ love and death on the cross to redeemed humanity from sin and death.

Lent is a spiritual retreat of the Church, through which the members of the church meditate upon the cross of Christ and submit to it in a sense of complete repentance. The fifty days that we observe, should help every member of the church to have an experience of abiding in Christ in a realistic way.

The Divine Love Story

A love saga that began in the Garden of Eden and has no end...

A love covenant so deep that wept for us in the Garden of Gethsemane...

A love symbol that was sent through a Virgin and was manifest on the Hill of Golgotha...

A love so boundless that it is given freely to all who simply believe...

The Kuwait St. James Mar Thoma Church Choir, prayerfully presents

The Divine Love's Story (Passion Recital)

on Saturday, 30th March 2019, 6.00 pm at Church and Parish Hall, NECK, Kuwait

We invite you to join us with family and friends to Glorify the God Almighty.

We solicit your prayers and support for our modest effort.
