# From the Vicar's Desk

Dearly beloved in Christ,

We believe everything started with God. So, first of all, I praise God for His call to serve our Lord as a family in Kuwait at St. James Mar Thoma Church. Two questions, 'Who am I?' and 'What is the purpose of my life'? are decisive. Our attempt to find out the answer to these questions will make our presence here more meaningful and our faith more deep. The answers are important not only at a personal level but, also at a community level. As a community of faith, we should stand firm in our thoughts that we are the people of God and our purpose of life here is to live for the glory of God.

Church, the community of faith, is the extension of the incarnation of our Lord. It is the sign and sacrament of the kingdom of God in this world to enlighten the surroundings. Nothing is valuable to God other than His Church and His people. As a Parish, we are called to live for the glory of God. That is the greatest achievement we can accomplish through our lives. In our journey, in addition to live for the glory of God, we should give importance to three things - worship, fellowship and a vision for mission.

Worship, is an act giving worth to our Lord who is worthy to be adored. The word, worship is a contraction of two words, worth and ship meant to place value in the thing being honoured. William Temple quotes, "To worship is to quicken the conscience by the holiness of God, to feed the mind with the truth of God, to purge the imagination by the beauty of God, to open the heart to the love of God, to devote the will to the purpose of God." Worship experience helps us to grow in deep relationship with our Lord. Anything you do that brings delight to God is an act of worship. Every activity can be transformed in to an act of worship when its done for the praise, glory and pleasure of God. The Bible says, "so whether you eat or drink or whatever you do, do it all for the glory of God". The Old Testament and the New Testament clearly proclaims the importance of corporate worship. As a Parish, we are a family of families gathering together to worship God and disperse to share the glory where we are.

God designed His church to be a fellowship of a family of brothers and sisters who share Gods ideals and beliefs. The Greek word for fellowship is *koinonia* which is translated in many different ways in the Bible. It depicts the unity and bonding that exists among the believers by virtue of the unconditional love of Christ. The early Church is a church of *koinonia*. The first appearance of the word *koinonia* in the New Testament is in Acts 2:42. "And they devoted themselves to the Apostles teaching and the fellowship to the breaking of bread and the prayers." *Koinonia* was Paul's favourite word to describe the unity of the believers in relation with the risen Lord. It denotes a dynamic relationship between God and believers who share the new life through Christ. Fellowship with the Lord results not only in sharing His benefits but, also sharing His suffering on the cross. The pattern of self-sacrifice, humility and unconditional love are the corner stones which binds the believers together.

The third one is the vision about the mission of God and the ministry we want to continue. We are familiar with the famous quote that "Church exists because of its mission just as fire exists by burning". Arch Bishop Rowan Williams has stated that Christian mission is finding out where the Holy Spirit is at work and joining in. It is God's mission. God sends and acts in our world. He sent His Son and He continually sends his Spirit and He sends us. We are called to fulfil the mission of God. Mother Theresa spoke of Jesus as the truth to be told, the life to be lived, the light to be lighted, the love to be loved, the way to be walked and the joy to be given. He lived in this world once for us and, now we are called to live for Him.

VBS is a blessed ministry among the children to bring them to our Lord to find out the real love of Christ. This year's VBS starts by the first week of May. Let's appreciate and pray for its leader, organizers, teachers and volunteers that it might be a great blessing for all those who partake.

I thankfully praise God for all the office bearers of our Parish of the past years, especially for Rev. Prince Korah and family and all the committee members who rendered their service last year. Let's pray for all the committee members of this year so that they can fruitfully work for Christ.

With prayers, .

Shibu Achen

### Outgoing Vicar's Farewell Message

### Dear Parishioners,

People around the world are familiar with Mount Rushmore, the South Dakota site where the heads of former American presidents are carved in gigantic scale on a cliff wall. Yet, while millions know of Mount Rushmore, relatively few know the name Doane Robinson—the South Dakota state historian who conceived the idea of the magnificent sculpture and managed the project. The monument is admired and appreciated, but he is the forgotten man behind the masterpiece. His name is largely unrecognized or was never even known by some. Sometimes, in our places of work many a times our effort is forgotten or we feel we are not recognized for the service we have rendered. Christ tells all of us those who feel so "come to me, I'll bear your burdens" As we enter into the month of May the first day of the month is celebrated as labor day. We are reminded that our labor is never in vain but Christ the creator values our efforts and when we feel we can't surge forward its Christ who tells us don't worry I'm there by your side.

As we enter the month of May it is also a time to say Goodbye to all of you. As the churches structure after serving at a place for a period of time Achens are moved to different places for serving God. Saying goodbye is always hard—to family and friends, to a familiar place.

I would like to extend our sincere gratitude to all my parishioners for the love, care and fellowship you provided to us as a family. Rev. Shibu K would be the new vicar of the parish and as a family would be here to give you the pastoral needs please give Achen the needed love and support.

In the Chinese language there is no direct equivalent of the English word goodbye. The two Chinese characters used to translate this word really mean "see you again." As this Chinese word Good bye says we will meet again, probably in the days and years to come. As God wants the best for us, let us allow Him to take priority over everything else.

### **Prince Korah Achen**
